

Come and join the 2018 RACGP Victorian General Practice of the Year located in the stunning Central Highlands of Victoria.

**Springs Medical is seeking an experienced GP to join the team on either a part-time or full-time basis in any of our three locations in Daylesford, Trentham and Kyneton.**

Springs Medical is located at 10 Hospital Street Daylesford with a branch Practice at 22 Victoria Street Trentham. **We are proud to announce our third practice will be opening late 2019 in Kyneton.** We are a busy mixed billing clinic opened Monday – Friday, with evening clinics and Saturday clinics available at our Daylesford practice.

We offer personal, family and community integrated primary health care in well-appointed modern Centres and we are the only medical centre in Daylesford and Trentham. We have an exceptional and highly regarded team offering full administrative and clinical support across all sites, including a dedicated payroll/finance team, medical records officer and experienced Primary Care Nursing team.

We are dedicated to improving patient care and services, along with strong commitment to ongoing education of students, registrars, nurses and staff. It has been this dedication and commitment along with revolutionary ideas such as “Spring in your Step” program, having doctors in schools for 19 years along with women’s health, skin, allergy, hep c clinics which saw us named the 2018 RACGP Victorian Practice of the Year.

### Position Description

- Full time/part time GP
- DPA – distribution priority area
- Modified Monash Model 5 practice - access to up to \$23000/year GPRIP
- VMO at Daylesford/Kyneton hospitals and access to salary packaging

### Essential Criteria

- AHPRA registration
- Experience in Australian health system
- RACGP/ACCRM fellowship or training to complete fellowship

### Service Overview

Our typically rural practice sees a full range of medical problems. Our special interests include counselling and mental health, pre & postnatal care, HIV, methadone prescribing, women’s and men’s health, skin clinic and adolescent health. We manage general medical conditions

and care for low risk obstetric patients (on a shared care basis). The doctors manage inpatients at our local Hospital and share the management of nursing home patients. We currently provide exclusive medical services to 120 residential aged care beds (mix of public and private) in Daylesford and Trentham and this number will increase to approximately 166 in mid to late 2019.

We have on site Pathology (Australian Clinical Laboratories) 6 days/week with 4 couriers/day to Ballarat. Imaging service at Daylesford Hospital comprises 3 sessions/week of X-ray and 1 day/week of ultrasound (Lake Imaging). Images are read digitally with generally rapid results. Visiting consultants currently comprise 2 General Surgeons, 1 Endocrinologist, and sessional Physiotherapists, Psychologists, Mental Health Nurse, Dietitian, Podiatrist, Audiologist, Diabetes Educator, and Oncology Massage Therapy.

Our local Daylesford Hospital has 18 acute beds and provides medical and surgical services (visiting General, ENT and Orthopaedic surgeons). We are close enough to Ballarat to obtain help quickly, yet far enough away for us to have maintained the interest and skills to deal with both emergencies and more complex chronic medical problems.

At Trentham hospital we look after high-level nursing home and low-level hostel patients Springs Medical is an Accredited General Practice Training post. We have 5 Accredited Trainers.

Springs Medical is committed to supporting the next generation of GPs and is proud to work closely with MCCC, our Regional Training Provider and Deakin University, School of Medicine. Practice activities including regular in house educational meetings.

## Location overview

A picturesque town in the heart of Victoria's spa country, Daylesford and its twin town, Hepburn Springs and surrounding districts offer a tranquil setting with fabulous lifestyle choices. A thriving tourist centre approximately 108 kilometres north-west of Melbourne with a diverse population of 7000. The area has long been Australia's premier spa and rejuvenation centre. The towns reflect the heritage of the Swiss-Italian miners and other immigrants who settled in the area. The beautifully preserved towns of the region are renowned for their cafés, antiques, crafts, galleries and antiquarian book shops. Indulge in the local spa retreats, natural therapy centres, retail outlets, restaurants and a calendar of rich cultural and arts festivals.

Enjoy the thriving artistic community or explore the botanic gardens, lakes, hills and forest, walking tracks, trail rides, vintage railway or participate in golf, tennis or other local sporting activities. Live in the spa capital of Australia, a major tourist, holiday and alternative lifestyle town, just over an hour from Melbourne! Trentham is located 20 km south east of Daylesford in an equally picturesque rural town.

For additional practice information, please check out our website [www.springsmedical.com.au](http://www.springsmedical.com.au) or telephone Emma Johns (General Manager) or Dr Brad Wyer (GP and Director – owner) on 03) 5348 2227
