ONLINE

Routine Appointments

Please book well in advance to see your usual doctor.

The standard appointment time (for a single health issue) is 10-15 minutes. You can phone us or book a standard appointment online at www.springsmedical.com.au

Longer Appointments and New Patients

If you have a complex matter (or multiple health issues) to discuss with your doctor, please phone us to book a longer appointment. This will include the following:

- Mental health conditions
- Chronic health conditions
- Travel health checkups/vaccinations (available to book online)
- Health assessments
- Insurance, license and employment medicals
- Medical reports
- Immunisations
- Cervical Screening Tests (available to book online)
- Surgical procedures
- Completion of Centrelink or WorkCover documentation
- Implanon insertion or removal

Urgent Appointments

Please phone as early in the day as possible and advise that it is urgent. You may be assessed by our primary care nurse to determine the urgency.

You will be booked with the first available doctor.

In an emergency always call 000.

If you have an urgent, non-life-threatening health concern after hours, call the **After Hours GP Helpline 1800 022 222.**

Patient Fee information for GP Consultations

As a private general practice, our aim is to provide you with the very best care and service. We are aware that financial difficulties may arise from out-of-pocket medical costs and we are committed to providing equitable and timely medical and health care services to meet your needs. Please discuss with your doctor any financial concerns you have at the time of your consultation.

For information about our GP fees, please visit our website www.springsmedical.com.au/gp-fees

We've Listened & Now We Deliver

Special Clinics

Better Breathing Clinic

A dedicated Wellness Clinic which focuses on improving management of chronic lung conditions such as Asthma. The Better Breathing Wellness Clinic will allow you to spend time with a Wellness Nurse specialist and your GP to focus on Better Breathing. During the Better Breathing Assessment of your lung capacity, our Wellness Nurse will discuss any challenges you may be facing with your health, tailor education and advice about medication use, including inhaler/puffer techniques, tools, tips and advice to help you manage your lung condition.

Skin Cancer Clinic

Are you worried about any spots on your skin? If so, NOW is the time to get your skin checked. Please call us and book a skin check with Dr Brad Wyer (Diploma of Dermoscopy and Skin Cancer Surgery from the Australian College of Cutaneous Oncology).

Skin Prick Allergy Testing

Did you know that you can desensitise against some pollen and dust mites using a tablet now? No more weekly injections! Instead you can now take a tablet from the convenience of your home! Ask your doctor whether you should have Allergy Testing at Springs Medical.

In an emergency always call 000

For your convenience, additional appointments available now at our Daylesford Clinic.
