

WOMEN'S WELLNESS CLINIC

Patient Information Sheet

Springs Medical is commencing a new Women's Wellness Clinic (WWC) service provided for women by women.

- Dedicated women's health appointments
- Local, expert health care
- Extended appointments will allow ample time to discuss issues that concern women
- Assists women to actively and holistically manage their health and wellness

The Clinics are run by female GPs, expert in providing comprehensive women's wellness checks for health concerns impacting women at all stages of life.

The clinics will be available at SM Daylesford and Trentham sites for concerns such as:
