Patient Fee information for GP Consultations

As a private general practice, our aim is to provide you with the very best care and service. We are aware that financial difficulties may arise from out-of-pocket medical costs and we are committed to providing equitable and timely medical and health care services to meet your needs. Please discuss with your doctor any financial concerns you have at the time of your consultation.

For information about our GP fees, please visit our website www.springsmedical.com.au/gp-fees

We would like to acknowledge that Springs Medical resides on the land of the Jaara people country of which members and elders of the Dja Dja Wurrung community have been custodians of for many centuries. We pay our respects to their Elders past, present and emerging.
